Mound Cemetery Celebrates Family and Tradition

Mound Cemetery is a safe, beautiful, peaceful setting dedicated to the remembrance and heritage of our loved ones. Our values of honor, respect, tradition and exceptional service are reflected in everything we do. Whether you live nearby, have family already buried at Mound Cemetery, or are looking for highly personalized service, Mound Cemetery is here for you.

Every Family is Special at Mound

At Mound, we understand that there are many ways to grieve – and many ways to celebrate a life. Whatever your religious customs, rituals or personal desires, we will do whatever we can to meet your expectations.

An Affordable Cemetery with Easy-to-Understand Options

We offer the personalized service you often find at a larger cemetery for less cost. We know that buying cemetery property can sometimes be confusing, so we offer packages to help make your decisions easier.

We Can Help You Plan Ahead

We encourage families to make choices about their cemetery needs before death. This helps spare your family from having to make those decisions while they are grieving, and allows you to make choices that are right for you.

Your Options at Mound Cemetery

Mound Cemetery offers memorial property for those who choose traditional casket burial or cremation.

If you choose traditional in-ground burial:

- We offer single graves, double graves, and lots for families (four or more graves)
- All graves have space for a flat marker (with names and dates)
- Some lots feature upright monuments that can be engraved with your family's name

If you choose cremation:

- Our "Garden of Serenity" features in-ground burial of cremated remains or placement of an urn in a columbarium (an above-ground building with compartments for urns called niches)
- For those who've chosen to have their cremated remains scattered elsewhere, our "Memorial Pathway" provides the option to have names/dates engraved on a pathway in the cemetery, so that your loved one can be permanently memorialized

Monuments and Markers

Today, markers and monuments can be highly customized with distinctive artistic detail. We can help you purchase a flat marker or monument for your property. We only sell monuments and markers that are crafted with care and guaranteed against defects. (The cost for these items may be additional to your grave or lot purchase.)

Flower Program

We can help you care for your loved one's grave by placing fresh flowers or seasonal wreaths on holidays,

anniversaries or other special occasions. We can do this one time, or on an ongoing basis – whatever you wish. The cost depends on the number of placements and the flowers you choose.
